Greetings George and Nizanna,

Region 5's first call with WI Department of Natural Resources (CAFO transferor) and Department of Agriculture, Trade and Consumer Protection (CAFO transferee) is tomorrow at 10:00am central time. I will send you the call invite. As it is a first call, I expect it to be general in nature. If you have any questions, please let me know at your convenience.

Thank you,

Hi Kevin and Candice – Sorry about the delay in responding to both of you on this. Following a model similar to Ohio, we will have George Utting and Nizanna Bathersfield participate from here on the Wisconsin transfer. They will need to involve the appropriate OECA and OGC folks.

Since we've now reorganized the Water Permits Division, the roles are a bit different. Nizanna's branch is renamed from the State and Regional Branch to the National Program Branch (same portfolio, different name), while George's branch, the Rural Branch, has been combined into the Industrial Branch. So, effective on Monday of this week, Marcus is the branch chief responsible for CAFOs. I hope to continue helping out on CAFO issues, but I'm returning to the National Program Branch in a senior staff role – feel free to keep me on your CC list for this stuff, however.
